COMMUNITY ANNOUNCEMENT:

Nuyakuk Hydro Draft License Application has been filed!

We're excited to share an update on our hydro project designed to deliver clean, reliable energy for generations to come—while supporting our local community AND fishing industry.

PROJECT HIGHLIGHTS

SUSTAINABLE POWER

Sustainable power using local resources.

MEMBER-OWNED COOPERATIVE

Would be owned, operated, and controlled by our member-owned, not-for-profit cooperative.

LOW IMPACT

No dam or fish ladder necessary.

LEARN MORE

Stay informed and explore project details, timelines, maps, and updates.

WE WANT YOUR INPUT

Your voice matters. Share your questions, ideas, and feedback to help shape our project.

HOW TO GET INVOLVED:

- Online community survey
- Sustainability Conference in Dillingham Sept 29-30
- Direct email or phone outreach

COMMUNITY SURVEY

We are inviting **everyone connected to the region and Nushagak Cooperative** to take part in this questionnaire and tell us how you want to power your home and village. The questionnaire will take approximately 15 minutes. Scan the QR code to participate.
